Ali OZKES

Professeur associé

Académie : Digitalisation

Centre de recherche : Knowledge, Technology and Organization

Campus : Paris

Email : ali.ozkes@skema.edu

Intérêts de recherche

Behavioral game theory, Experimental economics, Social choice theory, Text mining, AI ethics

Formation

2024	Habilitation à Diriger des Recherches, Economie, Université Paris 1 Panthéon Sorbonne, France
2014	PhD, Economics, Ecole Polytechnique, France
2010	Master of Science, Economie, Université Bilgi d'Istanbul, Turquie
2008	Bachelor of Science, Mathematics and Economics, University of London, Royaume Uni

Expérience Professionnelle

Positions académiques principales

Depuis 2022	Professeur associé, SKEMA Business School, France
2021 - 2022	Professeur Associé, Centre de Recherche De Vinci, École de Management Léonard de Vinci, France
2019 - 2021	Professeur assistant, Vienna University of Economics and Business, Autriche

Contrats de recherche, prix et distinctions

Contrats de recherche

2025	Équilibre entre égalité et proportionnalité : nouvelles solutions pour les problèmes de répartition équitable, Campus France, France
2022	Ethics of Public Robots and Artificial Intelligence, Agence National de la Recherche (ANR), France
2020	Member / Formation of an International Research Center for Experimental Financial Markets, Japan Society for the Promotion of Science, Japon
2019	Morality, Social Choice, and Artificial Intelligence, Centre national de la recherche scientifique (CNRS), France
